

Tell Me Where It Hurts

Fred Hammond

Tell me where it hurts and I'll fix it
I am the God that heal'eth thee
So bring it all to me
Tell me where it hurts
And I'll fix it
Tell me
I'm a God that heals
I am the God that heal'eth thee
So bring it all to me yeah

Tell me where it hurts
Tell me where it hurts and I'll fix it
I am the God that heal'eth thee
So bring it all to me
Tell me where it hurts (I'll fix it)
And I'll fix it
Tell me
I'm a God that heals (Everybody)
I am the God that heal'eth thee
So bring it all to me yeah

Lay it at my feet
And I'll take it
Bring me your sorrow and care
And I'll life you from despair
Lay it at my feet
And I'll take
Bring me your sorrow and care
And I'll life you from despair
Lay it at my feet
And I'll take

Bring it all to me
Bring it all to me
And I will love it away, oh my
Bring it all to me
Bring it all to me
And I will love it away

Give me your reasons oh yeah
Give me every care yeah
And I will, love it away
Bring me all your sorrows
Bring me all of your shame
Bring it here
Bring it here
And I will love it away

Bring it all to me
Bring it all to me
And I will love it away, oh my
Bring me all your pain and your worry
Bring it all to me
Push it all away in a hurry
I will love it away

Oh bring it all to me

Bring it to me
I will love it away
Nothing too hard for Him
Nothing too hard for the Lord
I will love it away
Bring it
Bring it all to me
Bring it
Bring it
Bring it all to me
I will love it away
