

Gone Again

Fred Neil

I woke up this morning
With an aching pain deep down
I say I woke this morning
With an aching pain deep down

Shiverin' cold
About to go insane
Gone again
Gone again

I'd love to stick around
This old town
But you know I got to go again
I say I love you baby
But you gotta understand right now
I say I love you baby
But you gotta understand right now
When the lord made me
He made a ramblin' man
Gone again
Well I love you so
That's why I want you to know
I'll probably go again

Can't you hear that whistle moaning
On that lonesome train right now
Can't you hear that whistle moaning
On that lonesome train right now

Shiverin' cold
About to go insane
Gone again
Gone again
Gone again
Oh gone again
