

I Got 'Em

Fred Neil

I say I got 'em
If you want 'em now
(If you want 'em)
I got 'em
I got apples and peaches
And pears and plums
Real fine peaches this mornin'
This mornin'
(This mornin')
I say I got 'em
If you want 'em
(If you want 'em)
I got 'em

Uh uh
No man can't come up your road now
Your road too bumpy
Make me dump my load
Dump my load
I say I
(I got 'em, I got 'em)
Got 'em now

Well, the sun ain't shinin'
And it look like rain
Listen to the whistle
On that lonesome freight train
Just sigh in the rain
Sign in the rain
I got 'em now
If you want 'em
(If you want 'em)
I say I got 'em

Boy, you get that dog
Away from this cart
If that dog lifts his leg
Just one more time
I'm gonna kick him
I say I got 'em
If you want 'em
(If you want 'em, if you want 'em)
I got 'em
Well, the sun is a shinin'
And bless my soul
Goin' home and get
My old cane pole
I'm goin' fishin'
(I'm goin' fishin')
'Stead of wishin' I was fishin'
(I'm goin' fishin')
I say I got 'em
If you want 'em now
(If you want 'em)
I got 'em
(I got 'em)
