

Sweet Mama

Fred Neil

Sweet mama
Don't be mean to me
Well sweet baby
Don't be mean to me
I've been waiting for such a dog
Gone lonesome time
For somebody just like you
To change these blues of mine

Sweet mama
Don't you turn me down
Well sweet baby
Don't you turn me down
Hey sweet mama
Now don't you turn me down
You know I love you
That's why I keep hanging 'round

Sweet mama
Don't you treat me mean
Go on with it
I've been waiting for such a dog
Gone lonesome time
For somebody just like you
To change these blues of mine

Sweet mama
Don't you treat me mean
Well sweet mama
I said sweet mama
Oh sweet mama
Yeah sweet mama
