

Yuh, Family Biz (Family Biz)  
Right, hah  
Gordo

We move that yay often  
Me and my three niggas step with four.44s, cops charge us with jaywalkin' (Woo)  
Tryna avoid a gray coffin  
Got gray and black, Pat Sajak, we bought a K off him  
Voluntary assignment  
'Cause we gave it to 'em anyway, voluntary consignment (Damn)  
Now he sittin' in solitary confinement, ma  
He ain't a act, just with Tyler Perry, we grindin' (Ha ha)  
In a telly where the birds are promised  
Hand off in Buffalo like Jim Kelly and Thurman Thomas (Woo)  
I need a couple, y'all  
If it ain't Spesh or Benny then I don't fuck with y'all (Nah)  
We had to hustle, y'all (Right)  
So much weight in the Benz, foreign, it turned into a muscle car  
Caliber handle over the buckle, y'all  
99 Cents Store, nigga, don't make me buck at y'all

New iPhone, love how they made it  
If I spoke to you, it was on a Nokia, that was my favorite  
That was my favorite  
Huh, that was my favorite  
New iPhone, love how they made it  
If I spoke to you, it was on a Nokia, that was my favorite  
That was my favorite  
Uh, that was my favorite

Yo, I let one fiend get a sample  
Then he go and tell the rest and that's how you lead by example  
Excuses for leeches to ramble  
I got a date with success and don't got a reason to cancel  
While y'all hit casinos to gamble  
We took risks that's illegal, so my lawyer fees was substantial  
I be with the G's and the vandals  
Kids that lead the relatives of your enemies squeezin' the candle  
My girl like metal Soprano  
She couldn't handle drivin' keys from Orlando in a Kia Sorento  
My trap gon' feed me a Lambo  
I never seen it, still make money from it like Stevie's piano  
Jealousy easy to handle  
'Specially when your jacket Red Tab but your sleeves is a mammal  
I find you, leave you in shambles  
Jaw broke, for a whole year they was feedin' you Campbell's  
Trust

New iPhone, love how they made it  
If I spoke to you, it was on a Nokia, that was my favorite  
That was my favorite  
Huh, that was my favorite  
New iPhone, love how they made it  
If I spoke to you, it was on a Nokia, that was my favorite  
That was my favorite  
Uh, that was my favorite

The Butcher comin', nigga  
Let's go

I learned from dealers  
Get 'em back, then you kill 'em slow (Kill 'em slow)  
I burnt my bridges, took the scraps and then built a boat (I did)  
I'm earnin' digits, all my bitches know (My bitches know)  
I fly her anywhere 'long as she not too boujee to sit in coach (Hah)  
First-time felon and eleven, that's the time he facin' (Damn, lil' homie)  
All that over a seven-second conversation  
Tijuana plug want the dough without no complications  
If a dollar missin', he gon' buy my baby mom a basement (Woo)  
Yeah, can't even trust the close ones, mama tried to teach me (She did)  
I had a saw pokin' out my back by the time she reach me (Damn)  
They duckin' strays and discussin' ways on how to beat me (They can't)  
Crooked feds and they got crooked plans on how to keep me (They can't)  
They ain't think I get it, but why they thought that? (Fuck they thought that for?)  
Them burner phones, we got rid of 'em, we caught packs (Hah)  
We all different, be specific when you talk rap (Why?)  
Uh huh, 'cause Martin turned his cheek but Malcolm fought back  
Let's go (Butcher comin', nigga)

New iPhone, love how they made it  
If I spoke to you, it was on a Nokia, that was my favorite  
That was my favorite  
Huh, that was my favorite  
New iPhone, love how they made it  
If I spoke to you, it was on a Nokia, that was my favorite  
That was my favorite  
Uh, that was my favorite
