

# Don't Wanna Be Left Out

Freda Payne

[Chorus:]

Don't wanna be left out in the cold, baby  
Don't wanna be left out in the rain, darling  
Don't wanna have to learn to live again  
If ever our love should come to an end, uh-huh

You see, I've been hurt so many times before  
And I don't planning to be abused anymore  
So if you want me,  
Here's what you got to do

You got to make me your number one lady  
And swear to be nothing shady  
'Cause if I'll be your lover,  
I won't stand for your lover no other  
No, no, no, no

[Chorus]

You said we have a future and together we'll find it  
But I'm just got to be sure this time a true love is  
behind it  
But if it's foolishness on your mind, I just don't have  
the time  
And one more thing

What about a diamond ring  
And the choir that sings "Here comes the bride"?  
Accepted my childeren, too  
That's another thing you got to do  
Before I believe in you, whoa baby

Don't wanna be left out  
I don't wanna be standing out here in the rain  
Standing out here in the rain  
Don't wanna be left out standing out here in the rain  
Misused, baby  
Don't wanna be left out standing out here in the rain  
Don't wanna be left out, Oh baby  
Standing out in the rain, No, no, no, no

[Chorus]

What about a diamond ring  
and the choir that sings "Here comes the bride"?  
Accepted my children, too  
That's another thing you got to do  
Before I believe in you  
Oh baby

Don't wanna be left out  
I don't wanna be  
Standing, standing out here in the rain]  
Don't wanna be left out  
Oh baby, standing out here in the rain  
Don't wanna be used, no baby, or misused  
Can't stand it, out here getting soaking wet, baby

Accept my, accept my children, too  
Please accept my children, too, won't you?  
Another thing you got to take  
All those loving things, I just do all the things,  
yeah, yeah, yeah  
I don't wanna be, can't you see that I lo-o-ove you?  
I love you, lo-o-o-o-o-o-ove you  
Oh baby, I don't wanna be
