

## FLFM (Interlude)

Freddie Gibbs

Feelin' like fuckin' me  
Feelin' like fuckin' me

Been checkin' you for so long  
And I feel (feel)  
Girl you should let me know, what the deal (what the deal)  
Been peepin' out your vibe (vibe)  
And if you wanna let me slide (slide)  
So what you need to do right now  
Is keep it real  
I know you want me home just like  
I want you (I want you)  
So stop frontin' like you don't  
When you do (do)  
And if you feelin' kinda naughty, naughty  
If you really 'bout it, 'bout it  
And if you get me rowdy, rowdy  
My love will make you shout it, shout it

If you're feelin' like lovin' me  
Feelin' like kissin' me  
Feelin' like fuckin' me  
Oh, you're feelin' like lovin' me

Fuck up  
Come give me some pussy  
Bg cat, watch  
This a big dick, the one that was on the video
