

# Sumthin' U Should Know

Freddie Gibbs

(3x)

{Hey bitch, fuck with me, what's up?}

Your bitch wanna fuck with Gibbs  
Straight dick off in the ribs  
Got her trickin off chips  
On expensive trips just to see the kids  
Never been one the one to miss no hoes  
Watch how the OG's pimp on hoes  
I was in it for the rank and the disco hoes  
Way back when a nigga couldn't get no hoes, I  
Gotta step my game up  
Lifted my frame up  
Twenty-four's on the cud  
Make hoes wanna fuck  
When I turn that thang up  
These hoes in the game wanna get saved  
But a pimp like me got to get paid  
Pull em to the side, gotta check they age  
Keep it real with em when they come backstage

Baby yo there's something you should know  
I don't really spend time on no ho  
I just wanna hit that ass and go  
I don't give a fuck about you

Bitch if you ain't with it hit the door  
Let a nigga sit back puff his dro  
Watch the panties hit the floor

I don't really care bout no bitches  
I'm on my business  
It costs to keep my attention  
And they trippin, I dismiss em  
It's not a flaw in my pimpin', no sir  
Fuck a bitch, pimp a ho, get your dough up  
Penthouse, top floor, let's go up  
Got a fat sack of dro we can roll up  
Hey bitch, fuck with me, what's up

Baby yo, there's something you should know  
Is there somewhere we should go?  
We can keep it on the low (I just wanna show you)  
How we lay this pimpin' down fo sho  
Put that hustle on the ho  
Let the panties hit the floor

What it is, what it gon be?  
I got a broad on the phone, G  
Chilling with a homie  
And I know that it's a goddamn shame  
That they all on me  
Wanna give me that monkey  
I'm a flip some dough instead  
Keep pimpin', stack that bread  
All I gotta do is get a bitch fed  
Then I get em in the bed

And I'm all in they head  
Big dough, I'm stackin' it  
My pimpin' is immaculate  
And I just might have to smack a bitch  
If my figures ain't accurate  
You treat these hoes, I cheat these hoes  
I fuck soon as I meet these hoes  
Then I take em to the room  
And I get up in they womb  
And I straight dip off and leave these hoes  
Got a couple in the Chi, got a couple in the D  
Got a bitch in Minnesota  
Got a ho in Ohio that hold that dough when with they hold up  
Niggas out G, I stay midwest pimpin'  
That's what we be bout  
Midwest pimpin' in the east, midwest pimpin' in the south  
I got a bitch in LA that think she too famous to turn a trick  
But I know the bitch will let a nigga put a dick in her anus to pay the rent  
These hoes don't give a fuck  
Anything for another quick buck  
Bitch hop off in this truck  
Is you fuckin' with me what's up?

You can ride with me  
Slide with me  
And vibe with me  
Get high with me  
We can go wherever you want to go  
Continue to get throwed  
But there's something you should know

I do know one thing though  
Bitches they come, they go  
Saturday through Sunday, Monday  
Monday through Sunday ho
