You should be only interested in those who put you on the G
You can hang out with the haters or you can hang out with me
Shawty tell 'em if you can't break it down from A to Z

Talking reckless, but I ate that thang for breakfast
And I'm ready keep on that ring left on my Nikes and my necklac

Ain't no hickies on this sticky, keeping shit secret when we se
xing
Go to GI bout my BI rolling in the new 650 flexin
Talking about some top with the top down, what you talk?
Hot sex, champagne all night
You ain't 'bout that life, baby keep on walking
I sweat the weave out

Shots to the head let's toast, twist up the flame
Pledge allegiance to the realest niggas getting it in this game
Serving things, made my motherfucking name
