

Christmas Forever

Freddie Jackson

Everybody's laughing
Everybody's having so much fun
Putting so much love and care
Into this special day
Everybody's giving, oh...
Giving from their hearts unselfishly
Mama's making everyone's favorite recipe
I wish we had...

Christmas forever
Let's stay together
I pray we never
Let Christmas slip away
Now don't you want...

Christmas forever
Let's stay together
I pray we never, no
Let Christmas slip away, no

Peace seems all around us, yes
A world of harmony feels all so real
What a truly special time
A special time of the year, yes
All the people caroling
Children adding special rays of joy
Wish this time would never end
We should all work hard
To make sure we have...

Christmas forever
Let's stay together
I pray we never
Let Christmas slip away

It's funny how this special day with Christ
Makes the world feel as one
It's sad to know that Christmas day
Will soon be gone
I wish we had...

Christmas forever, yes
Let's stay together, yeah
I pray we never, no
Let Christmas slip away
Yeah, yes

Christmas forever
Join hands together
(Ooh, yeah)
I pray we never
Let Christmas slip away, oh...
