

Come With Me Tonight

Freddie Jackson

Whoo!

Come on

Oh...

(Oh-oh-ooh-ooh...)

(Oh-oh-ooh-ooh...)

(Oh-oh-ooh-ooh...)

Oh, yeah

(Oh-oh-ooh-ooh...)

Whoo!

(Oh-oh-ooh-ooh...)

Oh...

(Oh-oh-ooh-ooh...)

(La, la, la, la)

Can I be dreamin'

Can anyone really look so fine, fine

Baby, you got me schemin'

You got me thinkin' those crazy thoughts

On my mind, yeah

What are your plans for later

After the dance is over and done

If you need some company

Baby, call on me

I would gladly be the one

Come with me tonight

Share with me the pleasure

The pleasure of love

Together you and I

We can explore

Like it's never been done before

(Oh-oh-ooh-ooh...)

Oh...

(Oh-oh-ooh-ooh...)

Oh...

(Oh-oh-ooh-ooh...)

(La, la, la, la)

Ooh, yeah

When you're in motion

You act just like you're wired, wired

You can have my devotion

'Cause you are the kind of girl I admire, yeah

I can't remember wanting

Anyone as much as I'm wanting you

Say that I'll be the one

To take you home when the night is through

Come with me tonight

Share with me the pleasure

The pleasure of love

Together you and I

We can explore
Like it's never been done before

Come with me tonight
Share with me the pleasure
The pleasure of love
Together you and I
We can explore
Like it's never been done before
(Explore)

(Ooh...)
There's a need
That I feel should be considered
(Ooh...)
There's a passion that I need fulfilled
(Ooh...)
If you want, call on me
I'll be your lover
Save me, save me, say that you will

Rock me tonight, baby
Whoo!

Come with me tonight
Share with me the pleasure
The pleasure of love
Together you and I
We can explore
Like it's never been done before

Come with me tonight
Share with me the pleasure
The pleasure of love
Together you and I
We can explore
Like it's never been done before

Please, baby, please, baby
(Come with me)
Please, baby, please, baby
Please, baby, please, baby
(Come with me)
Please, baby, please
Come with me tonight

Come with me
Just come with me, yeah
Just come with me
Just come with me, yeah
Come with me
Come with me tonight

I wanna feel you
I wanna hold you
I wanna squeeze you...
