

# Definition Of Love

Freddie Jackson

More than red roses you could send me on a Sunday,  
Or the... in a afternoon,  
Knowing you respect me,  
And the way your love protects me,  
And all the little things that you do.  
It's not the vacations that we'd taken across the country,  
Posing for photographs of the places we have gone,  
It's the time we spend at home, that brings music to my soul,  
The simple memories I wanna... them all!

[Chorus:]

You were there for me whenever I need you,  
Whenever I need you,  
With honesty, straight from the heart,  
Straight from the heart!  
Whatever I'm going through,  
I can always turn to you,  
In my mind that's the definition of love.  
The definition of love!

... get sentimental,  
All the surprises that always make me smile,  
But it's the loyalty that you give,  
... my closest friends, my friends,  
That make me say I do, over and over again!

[Chorus:]

You were there for me whenever I need you,  
Whenever I need you,  
With honesty, straight from the heart,  
Straight from the heart!  
Whatever I'm going through,  
I can always turn to you,  
In my mind that's the definition of love.  
The definition of love!

I feel so blessed  
That yeah, I finally found it,  
... You don't wanna live without me,  
No, no, no, I was hoping...  
It feels the love will cry till I make a definition.

[Chorus: x2]

You were there for me whenever I need you,  
Whenever I need you,  
With honesty, straight from the heart,  
Straight from the heart!  
Whatever I'm going through,  
I can always turn to you,  
In my mind that's the definition of love.  
The definition of love!  
Oh yeah!  
Whatever I'm going through,  
I can always turn to you!
