

Don't It Feel Good

Freddie Jackson

Freddie, are you ready?

Don't it feel good
Uh-huh
Ooh-ooh-ooh...
Freddie
Yeah
Are you ready?

Hello, baby
You're looking mighty fine tonight
Glad that we could spend some time together
I'm gonna make you feel right

This animal attraction
Is an powerful thing
It takes a physical reaction
To ease the pressure
Can you feel my body heat

Don't it feel good all over
Don't it make you feel nice
Don't it feel good all over
Makes you want to testify, yeah

Don't it feel so good, so good
Tell me now
Don't it feel good
Oh, girl, oh, yeah

Whenever you're around me
Sparks begin to fly
I know you can't stop swaying
To the music my body's playing
So, baby, surrender
Surrender, girl

I gave you love that you've been missing, uh-huh
From the time you walk through the door
If you really want my kissing
Just say, Freddie, I'm ready
Let's do, do, do it some more

Don't it feel good all over
Don't it make you feel nice
Don't it feel good all over, yes
Makes you want to testify

I just can't keep my hands off of you
I never can get enough, oh, no
(Never can get enough of you)
The only thing that we're gonna do
Is keep on making good, good love

Oh, baby
(Ooh-ooh-ooh...)
Say it now

(Freddie)
Freddie
(Are you ready?)
I'm ready

(So good, so good)
(Don't it feel good)
So good, so good, yeah
(So good, so good)
Oh, baby
(Don't it feel good)
So good, so good

I'll give you love that you've been missing, yeah
From the time you walk through the door
Door, door, d-door
And if you really want my kissing
Let me hear you say, Freddie, I'm ready
Let's do it, do it some more

Don't it feel good all over
Now don't it make you feel nice all over
Don't it feel good all over
Makes you want to testify, yeah

I wanna hug you, squeeze you
Love you, wanna please you
Don't it feel good
So good, so good

I wanna hug you, squeeze you
(Ooh, yes, I do, yeah)
Love you, wanna please you
Don't it feel good
So good, so good, baby, now

(Don't it feel good)
I know you can't stop swaying
(So good, so good)
To the music my body's playing
Don't it feel good...
