

Don't Say You Love Me

Freddie Jackson

Whoo!

I remember
The first time I laid eyes on you
Captivated, caught up in the mood
You said you wanted me
And I said I wanted you too

Now that you've got me
I'm caught up in your spell
You better be sure
(Now that you've got me)
You're ready to go all the way

Don't say you love me
And then you leave me
Don't say you want me
Baby, come on, don't play me
Don't say you love me
And then you let me go
Because I can say, darling
I love you, yeah

I'm not the kind of guy
Who ever wants for much
A lot of fancy things
Really don't impress me
I'm more attracted
To the woman inside of you

Now that you've got me
I'm caught up in your spell
You better be sure
(Now that you've got me)
You're ready to go all the way

Don't say you love me
And then you leave me
Don't say you want me
Baby, come on, don't play me
Don't say you love me
Don't ever let me go
Because, darling, I can say
I love you so

Don't say you love me
And then you leave me
Don't say you want me
Baby, come on, don't play me
Don't say you love me
Oh, don't ever let me go
Because, darling, I can say
I love you, I love you so

Now that you've got me
I'm caught up in your spell
You better be sure

(Now that you've got me)
You're ready to go all the way

Don't say you love me
And then you leave me
Don't say you want me
Baby, come on, don't
Baby, come on, don't play me
Don't say you love me
And then you let me go
Darling, oh...
Darling, you know I love you so

Don't say you love me
Oh, and then you leave me
Don't say you want me
Baby, come on, don't play me
Don't say you love me
Oh, darling, you know I love you
You know that I can say
That I love you

Don't say you love me
And then you leave me
Don't say you want me
Baby, come on, don't
Oh, don't play me
Don't say you love me
Don't let me go
'Cause I can say that
I love you, I love you so...
