

I'll Be Waiting For You

Freddie Jackson

If you need me
You know where I'll be
I'll be waiting, patiently

See you walk on by
With another guy
And I think that I
Was crazy to let you go
Memories creep in
The way you look at him
And I turn outside in
Won't let my feelings show

If you ever have a change of mind
Don't hesitate, 'cause it's never too late
Another love like yours I'll never find
Say you'll be my love again

Just call me when you need me
I'll be, I'll be waiting for you
You know I'll show
Just tell me where to go
I'll be waiting for you

I'll be waiting patiently
(I'll be waiting for you)

You said you had to see
How it felt to be free
But tell me, do you think of me
As much as I think of you
All our friends, they say
There must've been a better way
Wish I could've make you stay
And see it too

And if you ever find yourself alone
Don't worry, just hurry back on home
You'll be welcome, honey, anytime
Just ring my line, my door's wide open

Call me when you need me
(Call me, baby)
(Ooh, when you need my lovin')
I'll be, I'll be waiting for you
You know I'll show
Just tell me where to go
I'll be waiting for you

I'll drive my car
To wherever you are
There ain't no place
No place on earth too far
I'll take a ship or plane
In the driving rain
All this I do to be with you

Baby, my baby, my baby
My baby, oh, yes, I will
(I'll be waiting for you)
I'll be waiting
Oh...
(I'll be waiting)

Call me when you need me
(Call me, baby)
(When you need my lovin')
I'll be, I'll be waiting for you
(I'll be there)
You know I'll show
(You know, darling)
Just tell me where to go, darling
(And I'll be waiting)
I'll be waiting for you

Call me when you need me
(You need my lovin')
(Oh, oh, oh, oh, yes)
I'll be, for you
(I'm gonna be)
I'll be waiting for you
You know I'll show
(You know, sugar)
Just tell me where to go
(I'll be waiting)
And I'll be, I'm gonna be there
I'm gonna be there...
