

Never Let Go

Freddie Jackson

I'm drifting by the sea
My mind is feeling free
Some quiet time alone
A soft wind blows straight through me
I close my eyes and picture your face
As pretty as can be
A gentle kiss comes down from Heaven
Just to comfort me

Now I know
That everything's alright
You fly above the sky
The place where angels go

As the cold wind blows
And the river flows
Your star shines in my eyes
Every tear I cry
You're right by my side
You're here
I'll never let go
Oh no uh uh

Sunday morning comes
I think of you and me
Walking down the streets
Songs we used to sing
You always said listen to your
Heart when it feels
And any time you're feeling down
Call on faith and believe

Because you knew
One day we'd have to part
And when that day would come
That all would be well done

As the cold wind blows (As the cold wind blows)
And the river flows (And the river flows)
Your star (Your star)
Shines in my eyes (Shines in my eyes)
Every tear I cry (Every tear)
You're right by my side (You're by my side)
You're here (You're here)
I'll never let go (I'll never let go)
Oh oh oh

Sun shines
Rains fall
Sent by you
And I know
And I know
They're sent by you
And with loving arms
I'll hold you close
My dream has come true
I'm holding on to you

Oh oh ah ah oh yeah

Oh

As the cold wind blows
And the river flows
Your star (Your star)
Shines in my eyes (Shines in my eyes)
Every tear I cry (Every tear that I cry)
You're right by my side (Right here)
You're here (You're here)
I'll never let go (I'll never let go)
Never let, never let, never let go

As the cold wind blows (No)
And the river flows (No)
Your star (Your star)
Shines in my eyes (Shines in my my my my eyes)
Every tear I cry (Every tear)
You're right by my side (You're right here)
You're here (You're here)
I'll never let go (And I'll never let go)
No no no no no

I'll never go
I'll never never never never never
I'll never let go
I'll keep holding on and never
I'll never let go
Drifting by the sea I'll never
I'll never let go
Thinking of you you you you
I'll never let go
I I I I'll never let go
Go
Umm
I'll never
