

# Say Yeah

Freddie Jackson

The heat is pumping  
The man is burning up in here  
Starting rocking  
It's a party atmosphere  
Body's...  
DJ is grooving  
Playing all your favorite tunes  
Yeah you know how we do  
Let's rock  
It doesn't matter  
Get in the crowd  
On and on  
Beat don't stop  
Until the break of dawn  
Let's get a partner  
They can't stop us  
On and on

[Chorus:]

And if you feel it too  
Say yeah  
If you feel alright  
If you come to party  
It's on tonight  
[Repeats]

Fellow say yeah yeah  
Ladies say yeah yeah  
Everybody say yeah yeah

... sweet as honey  
Taking me to a...  
Body's flawless  
Face is flawless  
Yeah it's on...  
This night will never end  
But it's alright  
Next Friday night  
Hold on you all again

[Chorus]

Yeah I got my eyes on you  
DJ don't... this groove  
Cause I'm about to make my move  
Everybody say yeah yeah  
Let me here you say yeah yeah

If you wanna party tonight yeah yeah  
If you feel alright yeah yeah

[Chorus]
