Second Time For Love

Freddie Jackson

Ooh...
Uh-huh

We've been hurting one another for so long
And with time shared between us
We know that this is wrong
We're knocking on an open door
But refuse to come inside

Ooh, but, girl, I feel that we deserve a try
I'd like to sit you down tonight
And tell the reason why
There's really no one else for me
I'd only find my way back to you, to you, oh...

Is it possible that I
Can make you fall in love again
Tell me, baby
Does love have a second wind
Is it possible that I
Could make you understand again
That I truly need you, darlin'
Is there a second time for lovers

So you say you'd never give your love
(You never, you never give your love)
It's just those broken hearts you remember
But, baby, life goes on
Open up your mind and leave the past behind
Leave it behind

Is it possible that I
Can make you fall in love again
Tell me, baby
Does love have a second wind
Is it possible that I
(Ooh...)
Could make you understand again
That I truly need you, darlin'
Is there a second time for lovers

They say that good things
Come to those who wait
I don't want to listen
'Cause I don't want to hesitate
I'm ready for a real love, baby
To be right in my arms
And we'll be together
Don't you let me go
We belong together
Tell me, yeah

Is it possible that I
Can make you fall in love again
Tell me, baby
Does love have a second wind
Is it possible that I

(Oh...)
Could make you understand again
That I truly need you, darlin'
Is there a second time for...

Is it possible that I
(Don't give up on us)
Can make you fall in love again
(No, no, no, no, no, no, no)
It's just me and you
Tell me what we're gonna do
Is it possible that I
Could make you understand again
(Oh, baby, baby, baby, baby)
I truly need you, darlin'
(A second time)

Is it possible that I
Can make you fall in love again
That I can have your lovin', oh, yeah
Is it possible that I
Could make you understand again
You see, I truly need you, girl
Tell me, now second time for lovers

(Second time)
(Second time)
(Second time)
What are we
What are we gonna do
(Second time)
Can we tell the world
That love is no lie
(Second time...)
