

# Let Me Down Easy

Freddie King

Let me down easy, babe  
Tell it to me slow, yeah  
Come on and whisper something sweet  
Into my ear now  
Baby before you go

I said I felt it coming babe  
For a long long time now  
Please come on and stay right here with me baby  
Oh baby, don't leave me behind  
Just one thing I wanna know, babe

Is he gentle love, is he sweet now?  
You know you got a love right here  
That can't be beat  
Is he gentle love, is he kind, baby?  
Listen, all of these things all of things  
You got to better mine

But if you really really really love him  
Much better than me, Lord  
Come on and let me down, let me down easy, baby  
Oh, little girl, little girl, I'll set you free, yeah  
Yeah, that's how much I love you, oh baby  
That's how much I love you, baby  
No matter what they say about you, baby  
I go on and set you free, little girl  
Oh baby
