

# You Were Wrong

Freddie King

You were wrong, you were wrong  
You were wrong, yeah, you were wrong  
You were wrong, baby, stayin' away too long  
You know it ain't right, it ain't right

It ain't right, it ain't right  
It ain't right, stayin' out all night  
I try and I try with all my might, to do the thing that's right  
No matter how good I treat you baby, you only wanna fuss and fight

You were wrong, you were wrong  
You were wrong, yeah, you were wrong  
You were wrong, baby, stayin' away too long  
You know it ain't right, it ain't right

I ask myself, and I ask myself, and ask myself again  
How can you do the things that right, when you keep on livin' in sin?

You were wrong, you were wrong  
You were wrong, yeah, you were wrong  
You were wrong, baby, stayin' away too long  
You know it ain't right, it ain't right
