

# Time Waits For No One

Freddie Mercury

Time waits for nobody  
Time waits for nobody  
We all must plan our hopes together  
Or we'll have no more future at all  
Time waits for nobody

We might as well be deaf and dumb and blind  
I know that sounds unkind  
But it seems to me we've not listened to  
Or spoken about it at all  
The fact that time is running out for us all

Time waits for nobody  
Time waits for no one  
We've got to build this world together  
Or we'll have no more future at all  
Because time  
It waits for nobody  
Nobody

You don't need me to tell you what's gone wrong  
You know what's going on  
And it seems to me we've not cared enough  
Or confided in each other at all  
It seems like we've all got our backs against the wall

Time waits for nobody  
Time waits for no one  
We've got to trust in one another  
Or we'll have no more future at all  
Because time  
Waits for nobody

Waits for nobody  
Time waits for no one  
Let's learn to be friends with one another  
Or there'll be no more future at all  
Time waits for nobody

For nobody, nobody, nobody  
For no one
