Freddy Cannon

Patty baby  
The girl with the dancing feet  
She's a real ball of fire  
She's a gas, man, can't be beat

She wins all the contests  
Down in Philly, PA  
She's the number one  
Dancer in the USA

That's Patty baby  
The girl with the dancing feet

Patty baby  
The girl with the dancing feet  
Has a little bit of rhythm that was  
Brought up on a swinging street

When the band starts playing  
She never stops  
Don't you know she's the  
Queen of the record hop

That's Patty baby  
The girl with the dancing feet

Wow, Patty

Patty baby  
The girl with the dancing feet  
She's the kind of girl  
All the guys say they want to meet

From New York City down to Idaho  
You'll see Patty baby  
Wherever you go

That's Patty baby  
The girl with the dancing feet

Patty baby  
The girl with the dancing feet  
Ow, that's Patty baby  
The girl with the dancing feet
