

I Don't Want to Be Lonely

Freddy Fender

I don't want to be lonely, lonely for your love
For I, just love you only and baby you're the one I'm thinkin'
of
I know, you love another and baby I know you don't want my love
But I, I love you only and baby you're the one I'm thinkin' of
I don't want to be forsaken, just dreaming babe, 'bout your lov
e
I don't want to be mistaken, but I think babe you're the one I'
m thinkin' of
'Cause I, I'll be the lonely one. Baby, you're the one I'm thin
kin' of

I know you love another and I know you don't want me anymore
But I, could never love no one else and I will be your love for
ever more
But I don't want to be lonely, lonely for your love
'Cause I, I'll be the lonely one and baby you're the one I'm th
inkin' of
And baby you're the on I'm thinkin' of
