

# Vacation

**Freddy Kalas**

Ready or not  
Here we go  
Vacationtime  
Need to find a way to clear my mind

Ready or not  
Here we go  
One more time

You and I can leave  
The world behind

Boomblasta let's turn it  
Indian summer  
Burning up  
Today I'm gonna act a fool  
Bring yah friends  
We buckle up  
No destination astronaut  
I can take you to the moon

We're going on vacation  
So where you wanna go  
It's a celebration  
Don't need no invitation  
Going on vacation  
So where you wanna go  
Love is our destination

Follow me now

We're going on vacation  
So where you wanna go  
It's a celebration  
Don't need no invitation  
Going on vacation

Ready or not  
Here we go  
Vacationtime  
Taking on every place we go

Ready or not  
Here we go

We don't give a f  
We're on a roll
