Fredo Bang

I been fuckin' on a dog hoe, don't know I like her sister

I prolly cut my finger off before I kiss her
I prolly run back to my ex before I miss her
If she fuck the whole gang, she a member
And if that pussy got some miles, then it's a rental
Pull up give her meat like I'm her dinner
She say can I fuck her on my Finsta, alright

Got her hands in my draws, tryna eat it all, yeah
