Fredo Bang

I been popping addys 'cause them perkies had me stuck
Biting on my tongue, I've been rollin' like a truck
Got a bitch up out the hood, she take it in her butt
Bitch it's 2022 and I still don't give a fuck
I got youngins in that B tryna bleed some
I got hoes on my line, bitch, do need some?
I keep bitches on they knees like they need some
Sucker free like MTV, bitch, you will never hold my swipe my Vi
sa
If you see me anywhere, just throw them 4's up
Temper bad, I'm quick to rip a nigga doors up
RIP to so slim I'm with them soldiers
Stripper bitch like Cardi B, I fuck her for the culture

I don't dance in the club I just bop
I don't dance in the club I just bop
I don't dance in the club I just bop
I don't dance in the club I just bop

Icey than a bitch and my pockets got the knots
If I was still selling dope, I'll have it jumpin' out the pot
Bend it over, I'm gon' punch it till it fart
Say she ain't a hoe but I'ma fuck her like a thot
Please don't try me like these rappers, I'ma stamp some
I keep a pole up in my hand just like a dancer
Say she like it when they thuggin' and they handsome
Bitch, I'ma gangsta, ask my granny 'bout her grandson
Niggas telling, got my whole city hot
Free lit yoshi, I got fifty went he drop
Pray for the opps, I got they stomach up in knots
Feds watching me just like the neighborhood watch

I don't dance in the club I just bop
I don't dance in the club I just bop
I don't dance in the club I just bop
I don't dance in the club I just bop
