Ain't no more sparinn' niggas, that shit got so old
Give that bitch a toe tag like a common cold

But I want all the smoke, you know I'm chieffin'
I got niggas hatin' for no reason
So soon as I see 'em, I'm gon' squeeze it

Fuck the bitch, rippin' out her cheap weave
And if she ever bitch about it, I'ma give her
A hundred dollars, that's the least that I could tip her
