

Clock Out

Fredo Bang

(Playboy on this bitch but he ain't playing though)

Made another 100 grand and I spent ten on some drakes
I can't count on both hands how many got threw up in the lake
The bag I put up on his head I could have went and bought some
stocks
He went and dissed me on the gram, I was surprised when he got
shot
Can't send a bitch to line me up cause ain't no bitch out there
I trust
My partner shot him for the green like he just tried out for th
e bucks
Everyday I pray to god he separate me from the fake
First I take the queen then jam the king, checkmate

You know we pop off
Grab the sticks and then we slide when the opps out
Tinted windows we ain't trippin' when the cops out
Heard he got caught lackin' with him cause he opped out
Every time a nigga die we call that clock out
Grab the sticks and then we slide when the opps out
Tinted windows we ain't trippin' when the cops out
Heard he got caught lackin' with him cause he opped out
Every time a nigga die we call that clock out

Oh cause I thought a nigga couldn't walk had said somethin'
I wrap that flag around my Glock you know it's redrum
Don't play with me play with your kids cause Imma hurt somethin'
,

Thought it was a game til he was askin' when the nurse comin'
We do pull ups like Scotty Pippen who really with it
Posting with the guns who the fuck you think you tippin'
They be claimin' that they leanin' but keep 30 niggas with 'em
Every picture got a stick but they ain't doin' nothin' with 'em

You know we pop off
Grab the sticks and then we slide when the opps out
Tinted windows we ain't trippin' when the cops out
Heard he got caught lackin' with him cause he opped out
Every time a nigga die we call that clock out
Grab the sticks and then we slide when the opps out
Tinted windows we ain't trippin' when the cops out
Heard he got caught lackin' with him cause he opped out
Every time a nigga die we call that clock out
