

Okay, gangsta checkin' in, question all my fiends
Last night I prayed to God, today I'm bout to sin
Trollin' on the ground, we turn you to a meme
I can't go to sleep, I see the dead all in my dreams
Wake up, check my phone, I see these niggas play with graves
Now, you must wanna see your people lay down
Just got his photo, they just sunk the kite
Put out some bait, I want that bitch to bite
You fuck with that, you must don't love your life
Poppin' prescriptions got me cross-eyed
I'm not a dentist, but got tools that'll leave a nigga mouth-wide
I might be smilin', but I'm bout mine
I feel like Vader with a stick
These niggas don't wanna see my dark side
Niggas talkin' out they neck, okay, you with it, then let's bet
My cousin runnin' to the Bible like he never spoke on seven
I guess I'm supposed to forgive you like a God did
Fuck that, I'll catch you in that bottom
And you gon' feel him till we all here
You niggas all weird
Heard your partner died early, he count all years
That lil' nigga, he be thinkin' still that same nigga
Got plenty battles, I give a fuck about a grade, nigga

I say fuck a nigga, F-A-N, F-A-N
F-A-N, F-A-N, F-A-N
I say fuck a nigga, F-A-N, F-A-N, F-A-N
F-A-N, F-A-N, F-A-N
Had to clutch a nigga, I finish, I finish, I finish
Keep that collar with you, spin again
Spin again, spin again
I say fuck a nigga, F-A-N, F-A-N
F-A-N, F-A-N, F-A-N
I say fuck a nigga, F-A-N, F-A-N
F-A-N, F-A-N, F-A-N

No talkin' if you can't walk it
No beatin' if you ain't bought it
This stepper got some stains
Too bloody, I can't wash it
Tell me what's your favorite color
Now think about an outfit
Now tell that to your peeps
So they can help you pick your coffee
Yeah, know I play for keeps
You know us up when you come fuck with mine
Cought his ass and made that bitch ain't make it to the summertime
Freedom 60, baby, swoopin' shit soon as they hit the line
Hit one in the city, tell them bitches throw a second line

I say fuck a nigga, F-A-N, F-A-N
F-A-N, F-A-N, F-A-N
I say fuck a nigga, F-A-N, F-A-N, F-A-N
F-A-N, F-A-N, F-A-N
Had to clutch a nigga, I finish, I finish, I finish
Keep that collar with you, spin again
Spin again, spin again
