

Fearless

Fredo Bang

(What up, B Real?)
Huh, I'm in the world with it
The real Gee Money, you know what it is, nigga
Blatt, yeah (Hee)

Call a dispatch (Yeah), there's a murder, there's a body (Yeah, yeah)
I got hatin' hoes and pussy niggas in my comments (In my comments)
I be really chillin' 'cause the fans, they be watchin' (They be watchin')
My label, they be trippin', I might flash 'em, make 'em drop shit (Fuck)
Wanna trip out on the bitches everytime they try to stop me (Huh)
They don't wanna pay my money, I though gettin' money was the only option (D
amn)
My town, niggas livin' violent, they should've checked before they signed me
(Grr)
Pursue him, just do him, I'm just out here with my options (Bop, bop, bop, b
op)
Can of Hoola, thuggin', stuff my mag' up with the [?] (They know)
I was slangin' iron back when robbin' jeans was poppin' (Grrah)
I turned some gangsters into G.O.A.T.s (We did)

I ran a nigga down in that O (Facts), rub gasoline on my body (Huh)
Lil' one stole my swag, but I ain't trippin', bitch, you got it
Look at you like a son, so I was proud when you started poppin' (Real)
I'ma bang until it's done, and I don't never speak on bodies (Oh, no, no, no
)
Tell a nigga before he speak on Gee, he better switch the topic (Pussy)
No, it ain't no problem (Ah), loaded, I'll stop 'em (Ah, ah, ah)
I been tryna change my life and I been focused on the prize
Dissin' me on the 'Gram, how you put yo' lies before yo' life?
I seen you been in central [?] and you know exactly how I been ridin'

I don't fear nothin' (Ayy, yo, this all facts)
I don't fear nothin', no, I don't feel a fuckin' thing
Ooh-ooh, ooh-ooh (Huh, yeah)
I don't fear nothin'
I don't fear death, it's up, I got some people I wanna see
That's probably when I get some peace (Huh)

She had a baby for a opp, I love her, but, I cannot help her
Percs and Adderal, I been dancin' with the Devil
Speakin' on my dead, you might as well get yo' shovel
Congratulations, you made the finish line, you get this ketal (Grr)
Tattoos on my body like I work out [?] (Huh, huh, huh, huh)
Can't fake it with nobody, if I don't like 'em, then it's F 'em
All these nosy motherfuckers always tryna get a ear-full
I got my heart broke [?]
Speedin' through wherever, I just wanna say, "I love you"
Givin' back to my community, send some money to yo' mother
How you speak down on me to a bitch, you 'posed to be my brother
Who the fuck you call on everytime you get into some trouble?
These hoes been throwin' crosses, so, you better move more careful
Most of my friends ain't right so I'm not surprised when they go left
I seen a nigga say they love me, when they got shot, that's when they left
My pain been runnin' deep, but, I'm just laughin' like I took one

I don't fear nothin'
I don't fear nothin', no, I don't feel a fuckin' thing

Ooh-ooh, ooh-ooh (Yeah)

I don't fear nothin'

I don't fear death, it's up, I got some people I wanna see

That's probably when I get some peace (Fuck)
