The internet mislead us  
Got kids, and they need us  
The murder rate keep buildin' up

Now, I pray to God I don't get no 'nother killer (Ayy)  
My brother died (Brr), I'm out of town, now that's another feelin'  
When I get mad, Iw anna slide, I don't need no fuckin' hitters  
Think homicide, it's time to ride, I want my brother with me  
I don't trust a nigga  
Said they peace, but now they want Ps, man, fuck them niggas  
If in vain, I make them bullets rain, shouldn't of said my name for the game  
My Beretta flame, shot out Fredo Bang (Bang)
