

Ain't that DJ Chose over there? Look like DJ Chose

My mama seven, I can't walk on fate  
Every day I wake up to some brand new hate  
Air nigga opps, air nigga won't, it's on everybody top  
All these stones that I walk 'em (That I walk 'em), most can't  
take  
I got problems with some niggas 'cause I won't be fake  
Air nigga opps, air nigga won't, it's on everybody top

I beat the case 'cause I wouldn't talk  
You heard that side of the story, but that shit was false  
The only ones that want revenge is the ones that lost  
I got niggas mad at me because I wouldn't cross  
Solid as they come  
You niggas ain't bust shit, how long you had that gun?  
Why getting so much hate? I ain't mad at them  
Brought them village knives, I threw a bag at them  
Damn, half the time I thug up, had to put my love up  
'Cause I don't know who hatin' no more  
They say I'm dead, I don't even wanna wait no more
