Why, no why they tossin' me, when I'm lonely
Ooh, they care don't about my situation
They, don't care about the troubles I be facin' (no-oh-oh)
Why, no why they tossin' me when I'm lonely
Ooh, they care don't about my situation
They, don't care about the troubles I be facin' (no-oh-oh)

They don't give a fuck that I can't sleep at night
But they wonder why I keep this heater tight
They want me to sacrifice, and they're like fuck the price
Too many problems, I forget to talk to Jesus Christ
I'm livin' wrong, Then I know it ain't right
I'm sellin' wrong just to get me right (Yeah)
Free my nigga, I just sent a Kite
I need help, I never seek advice (Yeah-ah)

Why, no why they tossin' me, when I'm lonely
Ooh, they care don't about my situation
They, don't care about the troubles I be facin' (no-oh-oh)
Why, no why they tossin' me when I'm lonely
Ooh, they care don't about my situation
They, don't care about the troubles I be facin' (no-oh-oh)

I'ma pour a four up in a [?]
(I'ma pour it up)
I still feel the pain that I felt yesterday
(I thought I've given up)
My life dark like I'm stuck up in a ca-a-ge
My girl love me but I'm stuck up in my wa-ays
All that fake love stay up on my fa-ayy-ace
Tense up in my eyes, this ain't the kind of play-ay
Yeah, body after body we got gra-a-ves
Stuck in the streets, and I want out I can't be sa-a-fe

Why, no why they tossin' me, when I'm lonely
Ooh, they care don't about my situation
They, don't care about the troubles I be facin' (no-oh-oh)
Why, no why they tossin' me when I'm lonely
