My money too loud, I can't hear ya, homie  
My money keep tellin' me, I'm shittin' on 'em  
My money too loud, I can't hear ya, homie

Niggas fake as fuck, I don't trust niggas  
Actin' like they real, but really fuck niggas  
That's why I don't really fuck with niggas  
Savage Squad Records, only us, nigga  
Look at that Bob Marley, only thing I trust, nigga  
Fucked your bitch, and she save me tongue, nigga  
I swear that pussy wetter than a sponge, nigga  
But I will never ever fall in love with her  
Niggas just be talkin' cause they got lips on 'em  
But I ain't worried 'bout shit, cause my guns got clips on 'em  
Niggas broke as fuck while Fredo get rich on 'em  
Bitches ain't shit, pull out my dick and piss on 'em
