

Bad Boy

Fredo

Came in with the chip on my shoulder
Bad boy, I didn't listen to olders
[?] stop and I'm whippin' the yola
Open that window, It's giving a oder
I got them beautiful women, It's over
You man was lookin', and give you a boner
They tried to ride in the ends, now he's in a coma

Your money is my only thoughts, and I grind more than Tony Hawks
Gotta test it and make sure the tings real
.38 holds six like a windmill
All my diamonds are flashing, yo, I robbed my first watch in Brighton, hatton
Fast forwards and I'm buying a mansion
Young freddy, I'm fly like Aladdin
Heard a corn hit the top of his belly, shot warmed up his chest like a drop of the Henny
Get the beat and I'll lock him with many
Play my new shit, they're not even ready
How she want a nigga with money, while she's broke, these women are funny
Little bro on the mission for money, started at dark but he's in till' it's sunny

Came in with the chip on my shoulder
Bad boy, I didn't listen to olders
[?] stop and I'm whippin' the yola
Open that window, It's giving a oder
I got them beautiful women, It's over
You man was lookin', and give you a boner
They tried to ride in the ends, now he's in a coma

Show time then sloppy after
Man shaved couple man but I'm not a barber
He talks that but he's not a grafter
I'm Fredo, got more bits than Tropicana
Yeah, them scammers are buying a barber
They pull up in rental's, they ain't buying no cars
I'm a trap boy, fine with the glass
I don't buy bottles, I'm buyin' a yard
Catchin' 'em slip, turn pricks into skunk
Teach a lesson you wish you could bunk
Dare man to tryna think man I'm a punk
I'ma drop it on him and his mum
If I'm seen in that whip, then I switch it
She don't like me, she must like women
I just got a call about a drillin'
Where are my niggas, I'm tryna go billin'

Came in with the chip on my shoulder
Bad boy, I didn't listen to olders
[?] stop and I'm whippin' the yola
Open that window, It's giving a oder
I got them beautiful women, It's over
You man was lookin', and give you a boner
Yeah, they tried to ride in the ends, now he's in a coma
