

## Liar

Fredo

Sheminor she hate me I sense it minor  
She just loves me once she said she love me twice she said she love me three times I think she's telling lies she said she hates the game then she comes round to the crib I think she's telling lies liar I think she's telling lies liar She said she love me once she said she love me twice she said she love me three times I think she's telling lies she said she hates the game then she comes round to the crib I think she's telling lies liar I think she's telling lies  
Liar

She said she love me once she said she love me twice she said she love me three times I think she's telling lies she said she hates the game then she comes round to the crib I think she's telling lies liar I think she's telling lies liar She said she love me once she said she love me twice she said she love me three times I think she's telling lies she said she hates the game then she comes round to the crib I think she's telling lies liar I think she's telling lies
