There she stood in the street

**Dsus4 D A**

Smiling from her head to her feet,

**A D A**

I said 'Hey, what is this?'

**Dsus4 D A**

Now baby, maybe she's in need of a kiss.

I said 'Hey, what's your name, baby,

maybe we can see things the same.

Now don't you wait or hesitate,

Let's move before they raise the parking rate.'

Chorus

**A G D A**

All right now Baby, it's all right now

**A G D A**

All right now Baby, it's all right now

I took her home to my place

Watching ev'ry move on her face,

She said ''Look, what's your game baby  
are you tryin' to put in shame?''

I said 'slow, don't go so fast,

don't you think that love can last?'

She said 'Love, Lord above,

now you're tryin' to trick me in love.'

Chorus

All right now baby, it's all right now

All right now baby, it's all right now
