

Lady

Free

She was a Lady
She was right on
Lady
She was right on, yeah
Lady
She was right on

Baby let your hair, hang down
Baby let your hair, hang down

A Lady
And she told you
She was a Lady
And she told you
Ooh babe
She told everybody

Baby let your mind, roll on
Baby let your mind, roll on

Sometimes, oh oh
Think about the things you said, baby
Sometimes, oh oh
The things you said roll down my head

I love you!
Alright!
Lady!
I love you...

Let your hair, hang down
Baby let your hair, hang down
Baby let your hair, hang down
Oh yeah...
