She was a Lady  
She was right on  
Lady  
She was right on, yeah  
Lady  
She was right on

Baby let your hair, hang down  
Baby let your hair, hang down

A Lady  
And she told you  
She was a Lady  
And she told you  
Ooh babe  
She told everybody

Baby let your mind, roll on  
Baby let your mind, roll on

Sometimes, oh oh  
Think about the things you said, baby  
Sometimes, oh oh  
The things you said roll down my head

I love you!  
Alright!  
Lady!  
I love you...

Let your hair, hang down  
Baby let your hair, hang down  
Baby let your hair, hang down  
Oh yeah...
