

Hero on Video

Freedom Call

Hero on video

The hero on video

It smells like revolution

But you've never gone astray

Through an endless persecution, of heroes on video

Hear the squeak hinge down on the back door

Knock, knock! Who comes around?

Come and go, go

Come we go, we'll never surrender

Goodbye, bad times

Bang Bang for a good time

Goodbye, bad time

Bang Bang for a big time

Bang Bang for a big time

Bang Bang, who is the bad boy

Band Bang, who's gonna get the gun

Big time, who is the hero

The hero on video

On the final destination

you can touch the devils hand

No mercy, no salvation, for heroes on video

Shut them more, as higher is the score

In the everlasting game

Come and go, go

Come we go, we'll never surrender

Goodbye, bad times

Bang Bang for a good time

Goodbye, bad time

Bang Bang for a big time

Bang Bang, who is the bad boy

Band Bang, who's gonna get the gun

Big time, who is the hero

The hero on video

Bang Bang, who is the bad boy

Band Bang, who's gonna get the gun

Big time, who is the hero

The hero on video

Hero on video

Bang Bang, who is the bad boy

Band Bang, who's gonna get the gun

Big time, who is the hero

The hero on video

Bang Bang
