

Hunting High And Low

Freedom Call

I'm a player, I'm a winner
I'm a saint but I'm a sinner
Oh, oh
The bright side of life

I'm a maker, I'm a taker
A selfmade millionaire
Oh, oh
The world upside down

Here I stand
I am a loner
I'm searching for something
Searching for love

I'm hunting high
High and low
The sense of my life means
Reaching for gold

Hunting high
High and low
Reaching the stars
I'm ready to fall

Hungry for attention
Surviving through my life
Oh, oh
I roll the dice

I'm flying high on glory
It's fame that writes my story
Oh, oh
This is my life

Here I stand
I'm a loner
I'm searching for something
Searching for love

I'm hunting high
High and low
The sense of my life means
Reaching for gold

Hunting high
High and low
Reaching the stars
I'm ready to fall

I'm hunting high
High and low
The sense of my life means
Reaching for gold

Hunting high
High and low

Reaching the stars
I'm ready to fall.
