Freedom Call

Play The Ace of the Unicorn

Dive into our universe  
Fly over seven seas to paradise  
Under the spell of the unicorn  
Take my hand, come follow me  
Signs show the final steps to fairyland  
Into the Land of the Warriors

We're still believing in the sign of a new kingdom  
And we're receiving all the hope of destiny

Play The Ace of the Unicorn

Did you take the stairs to the fairyland?  
Did you ride the rainbow to the end?  
Have you ever been far from beyond?  
Play The Ace of the Unicorn

Take me to another world  
Take down the ghost inside of lonely hearts  
Under the spell of the Unicorn

We're still believing in the sign of a new kingdom  
And we're receiving all the hope of destiny
