

Gina

Freedy Johnston

Gina's down by the water
The water's up around Gina
All last night I was crying
Crying for my baby

Gina spent my money
I spent my money on Gina
You can say I'm lonely
Lonely for my baby

Hey I know that
Don't you lie to me
I know that
Don't you lie to me

Gina's down by the water
The water's up around Gina

All last night I was crying
Crying for my baby

Hey sit down son
I'll tell you a story about the way things was
To make you sit up in your sleep
It's kicks when you're feeling down

Sit down son
You want to hear a joke
Well I got one
That's just how my Gina sang
That's just how my Gina sang
