

# Innocent

**Freedy Johnston**

We're going back, I know it's true  
We're going back, I wish you only knew  
How innocent  
This boy is innocent  
He's innocent  
(2x)

Come on

refrain:  
Innocent  
This boy is innocent  
He's innocent  
Uh huh, alright  
Innocent  
This boy is innocent  
And now he's going to prove it

You work so long

I know it's hard  
You work so long  
You are so innocent  
And now you know, you know me well

And now you know, I wish you only knew how  
Innocent  
This boy is innocent  
He's innocent  
Uh huh, alright  
Innocent  
This boy is innocent  
And now he's going to

refrain
