Nothing but a heartache

Nothing but a heartache
Nothing but a teardrop

Nothing but a heartache every day, yeh
Nothing but a teardrop all of the way
Nothing but a heartache every day, yeh
Nothing but a teardrop all of the way

Nothing but a heartache
Nothing but a heartache

Nothing but a heartache every day, yeh
Nothing but a teardrop all of the way
Loving a bad guy is such a sin, yeah
He's got me all won, can I get him?
