

Bubblebath

Freezepop

The day has left you weary and cold
Bones aching, mind numbing chill
They say that all that glitters is gold
Suddenly, more time to kill
The sun is setting over the hills
Spirits are calling to you
Guilty pleasures and secret thrills
[?] rendezvous

Take bubble bath tonight
Take bubble bath tonight
Take bubble bath tonight
Take bubble bath tonight
Take bubble bath tonight
Take bubble bath tonight
Take bubble bath tonight
Take, take

The world is saying something unclear
Magic is yearning to move
The ground is shaking [?]
You have the need to improve

A shadow [?] for all time
Ghost walk in eternity
A creature finds his way to the light
Forever, in [?]

(Take a bubble bath, take a bubble bath) Take bubble bath tonight

(Take a bubble bath, take a bubble bath) Take bubble bath tonight
(Take a bubble bath, take a bubble bath) Take bubble bath tonight
(Take a bubble bath, take a bubble bath) Take bubble bath tonight
