Only so Long

French Kicks

When all that choking starts
Don't get lost, won't get far
Well, I know how you are
Won't go hard, won't be long

Well, you live for today
Oh, now you know you find that hard

There is only so long
I can do without it
Wait a little bit more
I will come around yet

We'll always as far as I can see
We'll always fall in stride
And it's really too late
I'll never lose that will in your heart at all

And it?s really okay
I see you coming out [Incomprehensible]

There is only so long
I can do without it
Wait a little bit more
I will come around yet

Feel you coming alive
And you turn around it
Wait a little bit more
I will come around yet

Oh, we leave it nowhere
We will find it all gone
Now I'm taking our time
And I like it that way

Feel you coming alive
And you turn around it
Wait a little bit more
I will come around yet

Every moment of mine
I'll deliberate it
Never made up my mind
Never liberated

Feel you coming alive
And you turn around it
Wait a little bit more
Operate around it
