Devil Want My Soul

French Montana

I pray to God I ain't ever dying broke
If I ever owe you, you ain't ever going broke
Everything you seen been the realist shit you saw
What the business is keep minds on Allah
Devil want my soul, Bitches turn me cold
Bottle after bottle watching bitches on a pole
Promise never fold, Money never fold
Gettin money fast, watchin niggers dying slow

Whippin on that slow Hoppin out that ghost With a hundred chains on this industry is cold Fuck them niggas song Everything we saw Made it out the corner, I'm fifty racks a show Whippin on that stove Got my money grown money Orders to my brother, ice got em all hung Hustle in my bones Better watch your tone Niggas catch your life just for talkin on that phone We get it on our own Now everythin we own Tell em stop smalls talkin, all my money grown Mansion on my own Coke boy talk Made it out the bottom, out the bottom like I told em

I pray to God I ain't ever dying broke
If I ever owe you, you ain't ever going broke
Everything you seen been the realist shit you saw
What the business is keep minds on Allah
Devil want my soul, Bitches turn me cold
Bottle after bottle watching bitches on a pole
Promise never fold, Money never fold

Self made millionaire! no nigga I owe

And I ain't scared of shit nigga

I pray to God I ain't ever dying broke
If I ever owe you, you ain't ever going broke
Everything you seen been the realist shit you saw
What the business is keep minds on Allah
