

# Trippin

French Montana

Started off with a simple twist of fate  
Boyfriend gonna come catch my fade  
Mama said, "Come on, it's gettin' late"  
Tell that woman she gots to wait  
Find somethin' worth fightin' for  
If you ain't gonna get them drawers  
If you lose, gonna catch a case  
Did you go too far? Baby, anyway  
Just stories 'bout things I do  
Show you, girl, it was all for you  
Had hoes in the hotel room  
Never knew we would make that news  
I'm too good with social cues  
Left out 'fore I had a chance to choose  
Know you're him, what would have that been?  
That's somethin' my pride cannot lose  
Too much on the way I feel  
Trick myself to believe it's real  
Trick too much for the sex and feel  
When I get a mil' I'ma spend it all on real  
I'ma spend it all on feels, yeah

I ain't trippin' on a bitch  
I ain't trippin' on a bitch  
I ain't trippin' on a bitch  
I ain't trippin' on a bitch  
I ain't trippin' on a bitch  
Just drippin' on a bitch  
I ain't trippin' on a bitch  
I'm just drippin' on a bitch  
I ain't trippin' on a bitch  
Trippin', no  
Ooh, I ain't trippin' on a bitch  
Trippin', no  
I ain't trippin' on a bitch  
I'm just drippin' on a bitch  
I ain't trippin' on a bitch  
Just drippin' on a bitch  
I ain't trippin' on a bitch

I ain't trippin' on a bitch  
And if I'm lyin', I'm flyin', heart of a lion  
Got the future on the hide, my hotel, I hide  
I hope you're stayin' by  
I need you for five, I need you for five  
You need me, I'm the plug to the life that you desire  
You need me for the game, game, oh  
You need me for the game, for the game, oh  
I need you for five, I need you for five  
You need me, I'm the plug to the life that you desire

I ain't trippin' on a bitch  
Trippin', no  
I ain't trippin' on you, bitch  
Trippin', no  
I ain't trippin' on one thing  
And I ain't gon' slip

And I ain't trippin' on one thing  
I ain't trippin' on you, bitch  
Trippin', no  
I ain't trippin' on you, bitch  
Trippin', no  
I ain't trippin' on one thing  
And I ain't gon' slip  
And I ain't trippin' on one thing

I ain't trippin', I ain't trippin', baby  
I ain't trippin', I ain't trippin', baby  
I ain't trippin' on a bitch
