They screamin', "Who that?" Shoulda knew that
From the city New Jack
At your head shoot at, then beat the case blue black
Gon' tattoo that by your eyes
Max caught 7-5, man, he blew that (Free The Wave)
Niggas got drive, boy, your boo at?
They comin' for your head, so that drop, never recoup that
And hide where that loot at
South Bronx finest, never in the minors
Never sell my tools, I read up on my diamonds
My youngins do your body like graffiti walls
Matte black AP like Arsenio Hall

High like a bird, gettin' rich off them words
And all the bad bitches chirp from the hood to the 'burbs
So how you do that there? Fuck 'em bougie, fuck 'em ratchet

Get me high like an eagle

And my dawgs ain't growin' from the hate, man, the love did it
